**I. GENERAL TERMS & CONDITIONS**

- 1. **Term of the Agreement.** This Agreement will commence on July 1, 2025 and end on June 30, 2028 (the “**Term**”). The Agreement may be renewed at the Board’s sole option for two (2) successive period(s) of two (2) years (the “**Renewal Term**”). For the purpose of this Agreement, “**Renewal Term**” shall mean that period of time after the Term expires in which the Agreement is allowed to continue following the affirmative act of the Board to exercise the right to renew that is reserved in the Agreement. The Renewal Term may be exercised collectively or in individual renewal terms. The Renewal Term shall exist as an option to be exercised at the sole and absolute discretion of the Board by serving Vendor with at least a thirty (30) day written notice prior to the expiration of the Term. The exercise of any Renewal Term shall be evidenced by a written renewal agreement signed by both Parties. The Board may elect for any reason, with or without cause, to not renew the Agreement. Any license—including but not limited to any software license or product license—granted by Vendor to the Board under this Agreement shall be subject to the term length set forth in this paragraph.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

2. **Scope of Work.** Vendor shall provide and deliver in full to the Board the work described in this Agreement, including any scope of work, statement of work, or amendments. The Board retains final authority with respect to all service related decisions. Vendor products authorized under this agreement are detailed in the attached hereto and incorporated hereion Exhibit B. Additional Vendor products may be authorized at the Board's discretion by way of the Change Management Process described below.
- 2.1. For the purposes of this Agreement, the "**Scope of Work**" is defined as the goods or services that are to be provided to the Board under this Agreement and as more fully developed in Exhibit A, which is attached and incorporated into this Agreement. From time to time, the Board may, at its discretion, modify or supplement the Scope of Work by means of an "Amendment" or "Statement of Work."
- 2.2. **Change Management Process.** From time to time during any term of this Agreement, the Parties may clarify or manage the Scope of Work by executing a "Statement of Work."
- 2.2.1. For purpose of this Agreement, a "**Statement of Work**" (or "**SOW**") is a document that is executed by the Board's "Authorized Representatives" for the purpose of managing the project that is the subject of the Agreement, with each document being numbered sequentially in order of execution. Each SOW shall be subject to the terms of the Agreement.
- For illustrative purposes only, a SOW might include, further description of the goods or services to be provided, further delineation of the roles and responsibilities of the Parties, timelines for delivering the Scope of Work, deliverables, and any other similar terms necessary to manage workflow and processes. A SOW may not be used to effect a "Material Revision" to the Agreement. A "Material Revision" shall be effective only if done by way of an Amendment.
- 2.2.2. For the purpose of this Agreement, an "**Authorized Representative**" means that individual authorized by the Agreement to act on behalf of each "Party." If the Agreement is governed by a Board Report or PRDA, the Authorized Representative of the Board shall be the officer authorized to execute Ancillary Documents.
- 2.2.3. For purposes of this Agreement, a "**Material Revision**" is defined to include a change to the Agreement, including but not limited to (i) increasing the unit cost of the Scope of Work; (ii) substantially expanding the Scope of Work beyond that approved under the Agreement; (iii) extending the time of performance of the Scope of Work beyond the time period approved under the Agreement; (iv) modification of the legal terms and conditions of this Agreement such that the legal standing, risks, and/or liabilities of the parties are impacted.
- 2.2.4. For the purpose of this Agreement, an "**Amendment**" means a written document that modifies a material or essential term of the Agreement and that is approved by the Board, its General Counsel, and executed by each "Party" to the Agreement.
- 2.3. **Remote Services.** If directed by the Board, Vendor shall provide or deliver any services within a Scope of Work remotely. The Board shall notify Vendor in the event that remote services are needed, and the Parties must cooperate to establish remote services as the Board shall direct from time to time.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

- 2.4. Work Interruption. In the event of any strike, picketing, work stoppage, slowdown, demonstration, or any other lawful or unlawful activity that disrupts Vendor's performance under the Agreement, Vendor shall immediately ensure continued and uninterrupted performance of work in accordance with the terms of the Agreement, or as the Board may otherwise direct. In the event of threatened or actual work interruption, the Board may, at its discretion, direct Vendor to use any of the following methods to prevent interruptions: 1) use of Vendor's non-union employees or an alternative courier to deliver goods and services; 2) delivery of any goods or services to any alternative sites; 3) use of Board employees as the Board might direct at its sole discretion; or 4) any other alternative means to prevent disruption. Vendor shall also enforce any no-strike clauses Vendor has in its collective bargaining agreements to prevent work disruption. Any alternative delivery methods utilized under this section shall be approved by a representative designated by the Board.
- 2.5. Preparation for Delivering the Scope of Work. Upon commencement of the Agreement, Vendor shall familiarize itself with the workings, operations and processes of the specific CPS department that will receive the work to ensure Vendor delivers the Scope of Work consistent with the department's infrastructure, operating systems and expectations. Vendor shall fully cooperate with other Board contractors, subcontractors and assigns and shall carefully plan and perform its own work to accommodate the work of other Board contractors. Vendor shall not intentionally commit or permit any act which will interfere with the performance of work by any other Board contractors.
- 2.6. Charter School Participation. Any Board eligible charter school is entitled to purchase at their own costs any work that is the subject of this Agreement on similar terms and conditions. If the charter school is authorized by its governing bodies to make the purchases, the school shall issue its own purchase order(s) to Vendor. The Board assumes no responsibility, obligation or liability of any nature or manner stemming from such purchases.

**3. Compensation; Purchase Orders; Billing and Payment Procedures.**

- 3.1. Compensation; Maximum Compensation Amount. Compensation for any work to be done under the Agreement, including any portion of the Scope of Work, shall be payable subject to a Schedule of Compensation, which is attached and incorporated as Exhibit B. The Schedule of Compensation reflects the prices the Parties have mutually agreed to and are not subject to change during the Term, including, if applicable, any Renewal Term, unless such change is authorized by the Board. The Board shall under no circumstances be liable for any costs not expressly specified in the Agreement, including reimbursable expenses.

The aggregate maximum compensation payable to all Vendors in the Pool for Services during the Term shall not exceed the amount stated on the Board Report cited on the signature page of this Agreement (the "**Maximum Compensation Amount**"), as may be amended. Under no circumstances shall the Board be liable during the Term for any amount that exceeds the Maximum Compensation Amount.

For purposes of this Agreement, "**Board Report**," if specifically cited on the main signature page of this Agreement, shall mean that document having its own unique identifier that reports the official action taken at a meeting of the Board wherein the Board authorized entering into this Agreement and set out certain mandatory terms to govern the Agreement, including but not limited to the maximum compensation amount for which the Agreement shall not exceed.

It is understood and agreed that the Maximum Compensation Amount referenced hereinabove is a 'not-to-exceed amount' and is not a guaranteed payment.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

Compensation shall be based only on those goods and services that are delivered and are in compliance with the terms of this Agreement. In the event the Agreement is terminated early, the Board shall only be obligated to pay the fees incurred up to the effective date of termination and Vendor shall promptly refund to the Board any payments received for goods and services not provided. If Vendor overcharges, in addition to all other remedies, the Board shall be entitled to a refund in the amount of the overcharge, plus interest at the rate of 3% per month from the date the overcharge was paid by the Board until the date refund is made. The Board has the right to offset any overcharge against any amounts due to Vendor under this or any other agreement between Vendor and the Board. Any refund owed to the Board under this Section shall be reimbursed no later than thirty (30) days after being notified by the Board of the overage.

- 3.2. Purchase Orders. All purchases made under this Agreement must be done through a Purchase Order. The Board is not liable, monetarily or otherwise, for any purchase made without a Purchase Order. For the purposes of this Agreement, “**Purchase Order**” means that form issued by the Board for the purchase of goods or services, that has a unique identification number, and its own terms and conditions, which terms and conditions shall supplement but not be applied to be inconsistent with this Agreement.
- 3.3. Billing and Payment Procedures. All invoices must be submitted electronically via email in PDF format to [cpsinvoice@cps.edu](mailto:cpsinvoice@cps.edu). Each email may only contain one invoice and must include the Vendor’s name and the CPS Purchase Order number. All invoices must include:
- Vendor name and payment address
  - Unique invoice number (determined by Vendor)
  - Valid purchase order number (only one PO number may be referenced on each invoice)
  - Invoice date
  - Itemized description of any part of the Scope of Work that was delivered
  - Date any part of the Scope of Work were provided and delivered to CPS
  - Detailed pricing information for the goods or services, such as quantities, unit prices, discount, or final net amount due.

Invoices shall be submitted in accordance with the Schedule of Compensation and must reflect all services rendered or goods delivered as of the date of the invoice. The final invoice shall be submitted no later than ninety (90) days after the expiration or termination of the Agreement. If Vendor has more than one contract with the Board, separate invoices must be submitted for each contract. The Board shall process payments in accordance with the Local Government Prompt Payment Act [50 ILCS 505/1 *et seq.*]. The Board reserves the right to request additional information and supporting documentation necessary for the Board to verify any goods or services to be provided under the Agreement.

- 3.4. Subcontractor Payments. Vendor must compensate its subcontractors within 15 days after receiving payment from the Board, if the subcontractor has satisfactorily provided services to the Vendor in furtherance of this Agreement and it has furnished all reasonable information requested by Vendor to process the payment. Vendor shall not withhold payment properly owed to any subcontractor in retaliation for a subcontractor exercising its legal or contractual rights. Vendor shall only withhold payment if it has a legally justifiable basis for withholding the payment.

If the Board receives notice that Vendor has neglected or refused to compensate in full its subcontractors, workmen, or employees for services they have rendered to Vendor in

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

Vendor's performance of the Agreement, the Board may refuse to direct further work, purchase orders, or payments until Vendor has satisfactorily resolved its disputes in full.

Vendor shall have ten (10) days to resolve any payment dispute with its subcontractors, workmen or employees after Vendor is notified by the subcontractor, workmen or employee, or after receiving written notice from the Board. If Vendor fails to resolve the dispute within that time, the Board may, in addition to the other recourse stated in this Section, direct payments owed to Vendor be first paid to the subcontractors, workmen or employees or that any bond or surety be used to satisfy these obligations. Vendor shall remain subject to and liable for satisfying the Agreement's full surety and bonding requirements, and the Board's use of the surety and bonding to satisfy Vendor's liability to its subcontractors, workmen or employee does not waive these requirements.

4. **Standards of Performance.** The Chief Procurement Officer (CPO) shall determine whether the work required under the Agreement has been performed satisfactorily. Vendor shall devote, and shall cause all of its employees, agents, and subcontractors to devote, such of their time, attention, best skill and judgment, knowledge and professional ability as is necessary to perform all Services effectively, efficiently and to the satisfaction of the CPO. Vendor shall retain and utilize, as required by law or by the Agreement, professionals licensed to practice in the State of Illinois in the applicable profession. Vendor shall use efficient business administration methods and perform in a professional and workmanlike manner in accordance with generally recognized industry standards for similar services and in an expeditious and economical manner consistent with the best interests of the Board, so as to assure, among other things, that the Services are performed at a reasonable cost to the Board and that Services performed by other entities or persons in connection with the Agreement are efficiently and cost-effectively delivered. Vendor acknowledges that, if in the course of providing Services hereunder, it is entrusted with or has access to valuable and confidential information and records of the Board, that with respect to that information, Vendor agrees to be held to the standard of care of a fiduciary. Any review, approval, acceptance of goods and/or Services or payment for the same by the Board does not relieve Vendor of its responsibility for the professional skill, care, and technical accuracy of its Services. Vendor shall remain financially and legally responsible to the Board for the professional and technical accuracy of all goods and Services, including any other deliverables furnished, whether by Vendor or its subcontractors or others on its behalf.

5. **Personnel.**

- 5.1. **Adequate Staffing.** The Board has retained Vendor because of Vendor's expertise and that of its employees, agents, volunteers and subcontractors (collectively referred to as "**Staff**"). For the purpose of this Agreement, "**Staff**" shall mean subcontractors, employees, agents, volunteers, contractors, or anyone authorized in this Agreement to act on behalf of Vendor or the Board, including a general manager or Authorized Representative. Vendor must assign and maintain during the Term of the Agreement and any renewal of it, adequate and competent Staff that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. If the Board determines, in its sole discretion, that any of Vendor's Staff is not performing in accordance with the performance standards or other requirements of the Agreement, or whose conduct is contrary to Board Rules and Policies, the Board shall have the right to direct the Vendor to remove that Person from performing any work under this Agreement.
- 5.2. **Screening and Monitoring of Staff.** The use of any third-party contractor is subject to the terms and conditions of this Agreement, including screening and monitoring the Staff of such third-party contractors. Vendor shall submit the Staff screening and monitoring process of the third-party contractor for Board approval. The Board is not liable for any goods or services rendered by any third-party, including subcontractors, that were not previously approved by the Board or its designated representative, unless adopted at

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

the sole and absolute discretion of the Board (or the authorized Board Staff) and shall be made in writing and executed by the Parties, and, if applicable, the subcontractor.

- 5.3. No Authority to Act on Board's Behalf. Vendor acknowledges that it is not an Authorized Representative of CPS or the Board. Vendor also acknowledges that all authorizations and approvals from CPS for the Scope of Work are subject to all requirements of this Agreement and must be made only by authorized Staff of CPS.
- 5.4. Removal and Reassignment. Vendor agrees to remove any Staff from performing any work under the Agreement if the Board, in its sole discretion, believes that such individual is not meeting the Board's performance expectations or is endangering the safety or welfare of any CPS Staff or student. Vendor further agrees to bear any costs associated with the removal of such Staff. Vendor shall have a transition plan for all critical Staff on this account. In the event of removal, reassignment or departure, Vendor will provide transitional coverage of any critical Staff within five (5) business days and will have new Staff fully in place within sixty (60) days of the request for removal being made.
6. Principal's Right to Direct. If any work under this Agreement is to be performed at a school, the principal at the school shall have authority to direct Vendor or other Person involved in performing the work.
7. Non-Appropriation. Expenditures not appropriated by the Board in its current fiscal year budget are deemed to be contingent liabilities only and are subject to appropriation in subsequent fiscal year budgets. In the event no funds or insufficient funds are appropriated and budgeted in any subsequent fiscal period by the Board for performance under the Agreement, the Board shall notify Vendor and the Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under the Agreement are exhausted. Payments for goods or services completed to the date of notification shall be made to Vendor except that no payment shall be made or due to Vendor under the Agreement beyond those amounts appropriated and budgeted by the Board to fund payments under the Agreement. Vendor's sole recourse is for payment of work it has performed under an appropriated basis or budget, and waives all claims against the Board and its Staff for work that was not the subject of a proper appropriation or budget.
8. Termination; Suspension; Events of Default.
  - 8.1. Early Termination. The Board may terminate the Agreement in whole or in part, without cause or penalty, at any time, by a notice in writing from the Board to Vendor in accordance with the notice provisions herein. The effective date of termination shall be thirty (30) calendar days from the date the notice is received, or the date stated in the notice, whichever is later. After notice is received, Vendor must restrict its activities, and those of its subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily delivered before the effective date of the termination is on the same basis as set forth in the Compensation Section of the Agreement.

Vendor must include in its contracts with subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the Board arising from termination of subcontracts after the early termination of the Agreement.

Vendor shall not be entitled to make any early termination claims against the Board resulting from any subcontractor's claims against Vendor or the Board to the extent inconsistent with this provision.
  - 8.2. Suspension of Services. The Board upon written notice may direct Vendor to suspend

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

delivery of Services in whole or part. Vendor shall promptly resume delivery and performance of Services upon written notice from the Board and upon such equitable extension of time as may be mutually agreed upon in writing by the Board and Vendor.

8.3. Events of Default. Events of default ("**Events of Default**") include, but are not limited to, the following:

- A. Any action or failure to act by Vendor which affects the safety and/or welfare of students or Board staff.
- B. Any material misrepresentation by Vendor in the inducement or the performance of the Agreement.
- C. Failure of Vendor to perform any of its obligations under the Agreement, including, but not limited to, the following:
  - i. Failure to perform any portion of the Services in the manner specified in the Agreement.
  - ii. Failure to maintain sufficient personnel and equipment or sufficient material to ensure the timely performance of the Services.
  - iii. Failure to promptly re-perform or re-deliver within a reasonable time and at no cost to the Board, Services that were determined by the Board to be incomplete or unsatisfactory.
  - iv. Discontinuance of the contracted goods and/or Services, including failure to procure goods comparable in nature, quality and use, should the contracted for goods be discontinued at no additional cost to the Board.
  - v. Failure to comply with any term of the Agreement, including but not limited to, the provisions concerning insurance, nondiscrimination, and any other acts specifically and expressly stated in the Agreement constituting an Event of Default.
  - vi. Failure to meet MBE/WBE project participation goals.
- D. Default by Vendor under any other agreement Vendor may presently have or may enter into with the Board.
- E. Where Services include contact with CPS students, any failure to comply with the Background Check requirements, in whole or in part.
- F. Assignment by Vendor for the benefit of creditors or consent by Vendor to the appointment of a trustee or receiver or the filing by or against Vendor of any petition or proceeding under any bankruptcy, insolvency or similar law that is not dismissed within sixty (60) days of the date of its filing.
- G. Failure to submit invoices within 30 days of completion of work or submission of invoices that do not accurately reflect the goods or services delivered as of the date of invoice.

8.4. Remedies. The Board, in its sole discretion, may declare Vendor in default, in whole or in part, if Vendor commits an Event of Default. The CPO may, but is not required to give Vendor an opportunity to cure the default within a certain period of time ("**Cure Period**"). The CPO shall give Vendor written notice of a default, informing the Vendor of their obligation to cure the default within a prescribed time ("**Cure Notice**") or, if no opportunity to cure is granted, a default notice ("**Default Notice**").

If after receiving a Cure Notice, Vendor fails to cure the default within the Cure Period, the CPO may issue a written Default Notice. A written Default Notice shall be final and effective termination of the Agreement, effective on Vendor's receipt of such notice or on the date set forth in the notice, whichever is later. When a Default Notice is given,

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

Vendor must discontinue all Services, unless otherwise specifically directed in the notice, and Vendor must deliver to the Board all materials prepared or created in the performance of the Agreement, whether completed or in-process within the time period identified by the Board.

Upon the occurrence of an Event of Default, the Board may invoke any or all of the following remedies:

- A. Assume the duties as defined in the Agreement, either directly or through others, as agent for and at the cost of Vendor. In such event, Vendor shall be liable to the Board for any excess costs incurred by the Board. Any amount due Vendor under the Agreement or any other agreement Vendor may have with the Board may be offset against amounts claimed due by the Board in exercising this remedy.
- B. Terminate the Agreement, in whole or in part, as to any or all Services yet to be performed, effective at a time specified by the Board.
- C. Suspend the performance of Services during the Cure Period if the default results from an action or failure to act by Vendor which affects the safety and/or welfare of students or Board staff. In the event that the performance of Services is resumed, Vendor shall not be entitled to seek reimbursement from the Board for any additional costs and expenses incurred as a result of the remobilization.
- D. Seek specific performance, an injunction or any other appropriate equitable remedy.
- E. Receive from Vendor any and all damages incurred as a result or in consequence of an Event of Default.
- F. Money damages.
- G. Withhold all or part of Vendor's compensation under the Agreement that are due or future payments that may become due under the Agreement.
- H. Deem Vendor non-responsible in future contracts to be awarded by the Board, and/or seek debarment of the Vendor pursuant to the Board's Debarment Policy (19-0626-PO1), as may be amended from time to time.

The Board, at its sole and exclusive discretion, may elect not to declare Vendor in default or to terminate the Agreement. If the Board permits Vendor to continue to provide the Services despite one or more Events of Default, Vendor shall in no way be relieved of any responsibilities, duties or obligations under the Agreement nor shall the Board waive or relinquish any of its rights under the Agreement, at law, in equity or by statute. The Board shall not be deemed to have waived or relinquished any of the rights it has to declare an Event of Default in the future. The CPO may terminate the Agreement by issuing a subsequent Default Notice.

The remedies under the terms of the Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default shall be construed as a waiver of any Event of Default.

If the Board's election to terminate the Agreement for default under this Section is determined by a court of competent jurisdiction to have been wrongful, the termination shall be considered an early termination pursuant to the Early Termination Section above.

- 8.5. Transition: Turnover of Documents and Records. Upon expiration or termination of the Agreement for any reason, Vendor shall cooperate in good faith with the transition to a new vendor or alternative operation at the direction of the Board. The Board may request, at least thirty (30) days after the contract's effective date of termination or

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

expiration, return of all materials, supplies, equipment owned or purchased by the Board, completed or partially completed work product or analyses, data, computer disks, documents and any other information relating in any way to the Agreement or the performance or furnishing of Services. Absent such a request, Vendor shall destroy all Confidential Information and data in accordance with the Agreement.

9. **Assignment.** This Agreement shall be binding on the Parties and their respective successors and assigns, and neither Party may assign the Agreement without an Amendment to the Agreement.

10. **Intellectual Property.**

- 10.1. **Intellectual Property Defined.** Intellectual Property shall mean all trademarks, copyrights, patents and other intellectual property rights in the materials used in the performance of Services under this Agreement.

- 10.2. **Board's Intellectual Property.** Vendor agrees that all Confidential Information, as well as any intellectual property arising therefrom, shall at all times be and remain the property of the Board. The Board's intellectual property shall include any documents and materials created by the Board either alone or in cooperation with Vendor in connection with the Services, including but not limited to such materials that are adapted or reproduced from Vendor's materials ("**Board Materials**"). Board Materials shall exclude any and all (i) third party intellectual property, and (ii) pre-existing Vendor intellectual property that is delivered to the Board as part of the Services. Any and all unfinished documents, reports, writings, procedural manuals, forms, source code, object code, charts, drawings, maps, files, records, computer printouts, designs or other materials prepared in the performance of Services ("**Work Product**") is exclusively deemed to be "works for hire" within the meaning and purview of the United States Copyright Act, 17 U.S.C. § 101 *et seq.* To the extent that any Work Product does not qualify as a work for hire, Vendor irrevocably grants, assigns, and transfers to the Board all right, title, and interest in and to the Work Product in all media throughout the world in perpetuity and all intellectual property rights therein, free and clear of any liens, claims, or other encumbrances, to the fullest extent permitted by law. Upon written agreement between the parties, Vendor may be licensed to use the Board's intellectual property for specifically defined uses and terms.

Unless otherwise specified in this Agreement, all of the foregoing items shall be delivered to the Board upon demand, shall be promptly delivered to the Board upon expiration or termination of the Agreement within three (3) business days of demand. If any of the above items are lost or damaged while in Vendor's possession, such items shall be restored or replaced at Vendor's expense.

- 10.3. **Vendor's Intellectual Property.** All Intellectual Property owned by Vendor prior to, created independently of the Services under this Agreement shall be and remain at all times "Vendor's Intellectual Property", provided that none of the Board's Confidential Information is used or disclosed in Vendor's Intellectual Property and such Intellectual Property is not Work Product. In the event that any Confidential Information is used or disclosed in any such Intellectual Property, it is the Board's Intellectual Property, and the Board shall have full and exclusive ownership rights to such Intellectual Property. Other than as may be expressly stated elsewhere in this Agreement, Vendor grants to the Board a perpetual, royalty-free, non-transferable license to use such of Vendor's Intellectual Property for non-commercial, educational purposes.

- 10.4. **Third Party Intellectual Property.** Vendor represents and warrants to the Board that Vendor, in connection with providing the Services, will not infringe on any presently existing United States patent, copyright, trademark, service mark, trade secret and/or

11.1. Warranty of Services. Vendor represents and warrants that its work will be free of errors or defects. The warranties contained in this Section will continue for the duration of the Agreement. If Vendor becomes aware, whether through the Board or otherwise, of any non-performance, error or defect covered by the foregoing warranties, Vendor shall, at its own expense, promptly correct such non-performance, error or defect within, but in no event later than thirty (30) days after notification by the Board. Any repair or replacement of deliverables thereof will be additionally and automatically warranted therein.

11.2. Warranty of Title. Vendor warrants title to all goods and services sold to the Board and warrants that all goods sold to the Board are free and clear from all liens, contracts, chattel mortgages, or other encumbrances; and that Vendor has the lawful right to dispose of and sell such good, and that Vendor shall warrant and defend the Board for all claims contesting proper title.

11.3. Assignment of Warranties. Vendor has the right, title and ability to assign and shall assign to the Board any third-party warranties concerning the Services provided under the Agreement to the Board.

11.4. Licensed Professionals. Vendor is appropriately licensed under Illinois law to perform Services required under the Agreement and shall perform any work under the Scope of Work for which a professional license is required by law and for which Vendor and its Staff are not appropriately licensed. Vendor agrees to provide copies of all licenses within seven (7) business days upon the Board's written request.

11.5. Technical Accuracy. The Scope of Work will be performed in strict accordance with the provisions and requirements of this Agreement.

11.6. Compliance with Laws. Vendor is and shall remain in compliance with all applicable federal, state, county, and municipal, statutes, laws, ordinances, and regulations relating to the Agreement and the performance of Services in effect now or later and as amended from time to time, including but not limited to the Drug-Free Workplace Act, the Family Educational Rights and Privacy Act ("**FERPA**"), the Protection of Pupil Rights Amendment ("**PPRA**"), the Illinois School Student Records Act ("**ISSRA**"), the Student Online Personal Protection Act ("**SOPPA**"), the Children's Online Privacy Protection Act ("**COPPA**"), and any others relating to non-discrimination and as applicable. - 11.10. Gratuities. No payment, gratuity or offer of employment was made by or to Vendor in relation to the Agreement or as an inducement for award of the Agreement.
- 11.11. Freedom from Communicable Disease. Vendor shall require all persons assigned to perform any work under the Scope of Work to show evidence that they are free from communicable disease, including tuberculosis. Acceptable evidence is described in the Illinois School Code, 105 ILCS 5/24-5. From time to time, the Board may require Vendor to demonstrate its compliance with the provisions of this Section.
- 11.12. Contractor's Disclosure Form. The disclosures in the Contractor Disclosure Form, previously submitted by Vendor, are true and correct as of the effective date of this Agreement. Vendor has an ongoing duty to promptly notify the Board in writing of any material change in information set forth therein, including but not limited to change in ownership or control, and any such change shall be subject to Board approval which shall not be unreasonably withheld.

Vendor shall bear all costs and expenses for all Background Checks and mandatory training required by the Board, including any performed by or at the direction of the Board. For the purposes of this section, "mandatory training" shall mean all pre-service, post-induction, and/or ongoing trainings, whether in person, virtual, or hybrid that may be assigned to Vendor Staff via the Board's online training platform or by other means. If Vendor fails to comply with this Section, in whole or in part, then, in addition to the Remedies set forth in the Agreement, the Board may exercise additional remedies, including but not limited to: (i) withholding payments due under the Agreement, and any other agreement Vendor may have or enter into with the Board until Vendor remedies such non-compliance to the Board's reasonable satisfaction; (ii) immediately terminating the Agreement without any further obligation by the Board of any kind (other than payment for Services previously rendered pursuant to the terms herein); (iii) seeking liquidated damages; (iv) or taking any other action or remedy available under the Agreement or by law or equity.

14. **Use of Board's Network; Acceptable Use Policies.** If at any time, Vendor has access to the Board's computer network, Vendor warrants that it is and shall remain in compliance with the Board's Information Security Policy adopted August 28, 2019 (19-0828-PO1), and the Board's Staff Acceptable Use Policy, adopted August 28, 2019 (19-0828-PO3), both as amended, during the Term of the Agreement and any renewals thereof. Vendor shall not act or fail to act in any manner that will cause any CPS student to not comply with the Board's Student Acceptable Use Policy, adopted August 28, 2019 (19-0828-P21), as may be amended.
15. **Independent Contractor.** It is understood and agreed that the relationship of Vendor to the Board is and shall continue to be that of an independent contractor, and neither Vendor nor its Staff are entitled to receive employee benefits from the Board. As an independent contractor, Vendor agrees to be responsible for the payment of all taxes and withholdings specified by law which may be due in regard to compensation paid by the Board. Vendor agrees that it and its Staff are prohibited from representing themselves as employees or agents of the Board and that at all times, they are at the direction and control of Vendor. Vendor shall provide the Board with a valid taxpayer identification number as defined by the United States Internal Revenue Code, including but not limited to social security number or federal employer identification number.

The Vendor waives the right to deny the Board invocation of its indemnification rights under this Agreement.

Vendor shall, at its own cost and expense, appear, defend and pay all attorney fees and other costs and expenses arising hereunder. In addition, if any judgment shall be rendered against the Board in any such action, Vendor shall, at its own expense, satisfy and discharge such obligation of the Board. The Board shall have the right, at its own expense, to participate in the defense of any suit, without relieving Vendor of any of its obligations hereunder. The Board retains final approval of any and all settlements or legal strategies which involve the interest of the Board.

However, if Vendor, after receiving notice of any such proceeding, fails to immediately begin the defense of such claim or action, the Board may (without further notice to Vendor) retain counsel and undertake the defense, compromise, or settlement of such claim or action at the expense of Vendor, subject to the right of Vendor to assume the defense of such claim or action at any time prior to settlement, compromise or final determination thereof. The cost and expense of counsel retained by the Board in these circumstances shall be borne by Vendor and Vendor shall be bound by, and shall pay the amount of, any settlement, compromise, final determination or judgment reached while the Board was represented by retained counsel pursuant to this paragraph, or while Vendor was conducting the defense.

To the extent permissible by law, Vendor waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any losses. The indemnities set forth herein shall survive the expiration or termination of the Agreement.

Vendor shall furnish the Board with such information, supporting documentation and reports as may be requested relative to the progress, execution, delivery and costs of the Scope of Work and compliance with applicable MBE/WBE requirements. Failure of the Vendor to cooperate and comply with the requests of the Board or its agents shall give the Board, in addition to all other rights and remedies hereunder, the right to charge Vendor for the cost of such audit. All records and data generated pursuant to the Agreement shall be subject to inspection and audit by the Board during the life of the Agreement. As used in this Section, "records" shall include all correspondence, receipts, vouchers, memoranda and other data, regardless of type or medium (including emails or other electronically stored data).

Vendor shall maintain all records related to the Agreement for the life of the Agreement and through any Transition period. Specifically, a complete record of all communications between the Board's students and Vendor's employees, agents, and subcontractors, including but not limited to text messages, chat dialogue, email communications, and recorded voice communications, must be retained. Vendor must maintain system audits and audit logs, if applicable, for 365 days after the Agreement's termination or expiration. Consent to enter upon a site given by the Board shall not create, nor be deemed to imply, the creation of any additional responsibilities on the part of the Board. Vendor shall use and shall cause each of its officers, employees and agents to use the highest degree of care when entering upon any property owned by the Board in connection with the Services. Any and all claims, suits or judgments, costs, or expenses, including reasonable attorney fees, arising from, by reason of, or in connection with any such entries shall be treated in accordance with the applicable terms and conditions of the Agreement.

Any prior agreements or representations, either written or oral, relating to the subject matter of the Agreement are of no force or effect. Unless expressly provided in this Agreement, the Parties other dealings, including other agreements, are to be treated as separate and independent of this Agreement.
31. **Controlling Agreement.** Vendor shall not request any CPS staff including school principals, administrative staff or other CPS employee to sign any form, memorandum of understanding or any other agreement for the performance of Services except for those documents specifically approved by the Board under the Agreement. ### III. **PRODUCT TERMS**

1. **Product Warranty.** Vendor warrants that all Products furnished hereunder shall be new and conform with any specifications and other requirements as set forth in the Agreement. Products shall be of merchantable quality, and in good working order, and shall be free from defects in material, workmanship, and design for a period of time of at least one year from the receipt of shipment or the length of the manufacturer's warranty, whichever is longer (unless the Board specifies a longer period or specifically agrees otherwise). Vendor shall assign to the Board the benefits of any manufacturer's warranty of the Products and shall cooperate with the Board in securing any and all remedies of such warranties for the benefit of the Board during the Term of the Agreement and any Renewal Terms.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

The Board acknowledges that Vendor may not be the manufacturer of all the Products being supplied under this Agreement. Nonetheless, Vendor warrants that from the date of delivery, the Products shall be covered by the respective manufacturer's warranty, and Vendor shall only provide Products covered by manufacturer's warranties, including but not limited to the warranty that all Products are free from defects in materials and workmanship and will, as to substantial operational functions, conform to the current published Product specifications.

- 1.1. Repairs and Replacements During Warranty Period. During the warranty period, the Board shall have the option to require Vendor to repair and replace defective Products without charge or expense, or to reject any defective Products and obtain a full refund or credit for the amount paid by the Board for the defective Product(s). Repaired or replaced Products shall be warranted for a minimum period of one (1) year from the date of completion of repairs or the date of receipt of replacement, or for the remainder of the Product's original warranty, whichever is longer. Vendor shall be responsible for all delivery and shipment costs. This warranty shall survive inspection, acceptance, payment and expiration or termination of the Agreement. Each warranty shall include, but is not limited to, the manufacturer's name, the Board's name, the School's name if applicable, the product style name, the product number, the length of the warranty, the manufacturer's contact person. Nothing within this Section shall limit or be interpreted as reducing any warranty that may be provided by Vendor or the original manufacturer of the Product to the extent that the original warranty may be more expansive than the warranty set forth in this Section.
- 1.2. Delivery of Warranty Receipt. Warranty information shall be provided with the delivery of the Products and when Vendor submits its invoice. Upon final acceptance of any Products delivered, Vendor shall provide to the Board Project Manager, the Chief Information Officer if software or technology is involved, and the Department of Procurement every manufacturer's warranty, guarantee, parts list, and literature for each of the Products delivered to schools and/or department(s).

A letter containing all warranty information must be provided with each invoice or the invoice will not be processed. All maintenance and installation instructions for Products must be provided at that time per manufacturer recommendations. The manufacturers' warranties are in addition to and not in lieu of any other of Vendor's warranties stated herein. The Board is entitled to look to Vendor for remedy in all cases where Vendor's warranty applies regardless of whether a manufacturer's warranty also applies.

2. Packaging and Shipment and Risk of Loss. Vendor shall package and ship all Products in a commercially reasonable manner. All shipments shall be F.O.B. destination (as indicated on the PO or some other written notification from Board) with freight and insurance prepaid. The Board may request that shipment be made to any location that the Board designates as a Chicago Public School or a CPS facility. Any and all deliveries made to a Chicago Public School shall occur between the hours of 8:00 a.m. and 2:30 p.m., and Vendor shall advise the carrier of this restriction. The Board may adjust the PO shipping destination any time up to five (5) business days prior to shipment. The risk of loss and damage to Products ordered by the Board shall pass to the Board only after delivery to the destination designated by the Board. Time is of the essence to the delivery of all Products ordered hereunder.
3. Inspection and Out-of-Box Failures. The Board reserves the right to inspect all Products upon delivery and to perform any test the Board deems necessary to adequately demonstrate that the Products meet all of the specifications of the Agreement. Final inspection resulting in acceptance or rejection of the Products will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by the Board of its rights to reject Products or to claim reimbursement or damages for such Products that are later found to be defective or not in conformance with the

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE*

Agreement. Products that do not conform to the Agreement or that are otherwise damaged must either, at the Board's discretion, be retrieved by Vendor (at Vendor's expense) for replacement at no charge to the Board, or the Board may cancel that portion of the PO relating to the nonconforming Products at no charge to the Board. For any such returned Products, the Board shall either debit or offset from Vendor the cost of such Product plus freight, or receive a refund for such, at Board's discretion.

4. **Supply of Products.** Upon installation or delivery, (if installation is not applicable or required), other than as may be set forth herein, all Products will become the sole property of the Board. Vendor will supply the Products in a safe, thorough and timely manner. All Products will be supplied in accordance with the terms and provisions of this Agreement and to the satisfaction of the Board's Project Manager.

In such an event, Vendor shall provide to the Board the specifications, price, and any other relevant information regarding the proposed product (including a sample where requested), and the Board Project Manager, the Chief Information Officer if software or technology is involved, and the Department of Procurement shall determine if the product is within the scope of the Agreement and can be added to the Products list included within the Agreement as set forth herein. Any addition or modification to the Products list that does not amount to a material revision as defined in the Agreement shall be documented in writing in accordance with the Change Management Process section of this Agreement. The sale of any new Products shall be in accordance with the terms of the Agreement. The price for any Products added to the Products list in this manner shall reflect discounts consistent with the prices for other Products that are available for the Board to purchase or lease under the Agreement. The Board shall have no financial or other obligations for the sale of any product that is not included in any Products list in the Agreement at the time of the sale with the appropriate written documentation.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE***EXHIBIT E****ITS SPECIAL CONDITIONS**

---

Information, Integrations, and Data Management are central capabilities needed to deliver information systems optimally, which is essential to realize system and service value. In addition to any other requirements and terms set forth in the Agreement, including those requirements relating to the treatment of Confidential Information and/or Student Data (where applicable), confidentiality and compliance with laws, Vendor systems capabilities and processes must meet the requirements set forth in this Exhibit. Any references to the “**Solution**” in this Exhibit shall be understood to include any technology product, software, platform, and related services as defined in the Agreement.

Vendor shall supply CPS’ Department of Information and Technology Services (“**ITS**”) with information regarding any technology product or software it licenses to CPS or that it utilizes to deliver service under the Agreement including but not limited to the security and technical environment (collectively “**Technical Information**”). Vendor is required to advise the Board’s ITS Program Manager if the Technical Information for any Product(s) or Program(s) changes in any material way during the Term of this Agreement, including any Renewal Terms. Any changes that shall be documented in accordance with the Change Management Process section of the Agreement. All proposed technology products will require vetting and approval with regard to compliance with CPS safety, technical, security/privacy and academic/instructional standards.

**I. General Requirements**

Vendor shall ensure that any technology product or Solution meets or exceeds CPS standards. Specifically, Vendor shall:

1. Identify an employee or employees who have relevant subject matter expertise to work in collaboration with CPS IT and business experts.
2. Ensure that the system capabilities are aligned with CPS academic and administrative data management programs, including alignment with IMS Global Standards for open operability, or allowance of open data exchange (for all data within any system) using s-FTP, 3rd party API’s similar to Clever, or an open API for data exchanges.
3. Maintain logs of all activities, status, and functional state of the Solution.
4. Have an application architecture built with security as a priority, using the latest industry techniques or standard, such as FedRAMP, or ISO / IEC 27001.
5. Ensure that the environment is redundant, with no single points of failure, and have the capacity to handle District demands, and have the capabilities needed to recover from data loss or corruption.
6. Enable reporting and analytics (BI) for all data provided or generated.
7. Schedule routine imports and exports of data in an automated fashion.
8. Institute quality controls for data management within the user interface, and within data synchronization routines
9. Leverage the CPS system of record for identity and access management (Rapid ID / SAML for single sign on)
10. For third party integrations - Document purpose, data exchanges, utility of integration, method of integrations, provide geography of operations, the name of the third party, and a formal CPS IT approval
11. For educational platforms, support One-roster / IMS Global protocols
12. For the rostering of Student Data, Vendor must contact the CPS EdTech team at edtech@cps.edu to discuss the auto-rostering solution that best meets the needs of the District.

*THIS AGREEMENT WILL BE POSTED ON THE CPS WEBSITE***II. Specific Requirements**

Vendor shall ensure that any technology product or Solution complies with CPS standards by complying with the following requirements, as applicable:

1. **Audit History.** The Solution must maintain a complete history of all data including the user identification and timestamp for data creation, updates and deletions to support a complete audit history for the duration of agreements with CPS. This includes persistence of deleted data “soft deletes” for all key entities as determined by Board requirements. Reporting on audit history shall be easy and efficient, preferably including out of the box reports summarizing data changes.
2. **Data Integrations.** The Solution must support both ad hoc and automated import, export, and update of all necessary data for the in scope systems, at appropriate frequencies, including near-real-time. For platforms supporting digital learning then the Solution must support IMS global / One-Roster protocols.
3. **Data Accessibility.** Vendor shall support both ad hoc and automated extract of all data from the Solution at appropriate frequencies, or to support CPS processes.
4. **Portability.** It is critical that CPS be able to retrieve its data and applications from the Solution and move it into different CPS environments, or directly to a new solution at the expiration or termination of the Master Agreement. If the Solution uses proprietary software and formats to store customer data or applications, it may end up being very difficult to retrieve applications and data in a usable format; if this condition exists then Vendor shall transform the data for CPS consumption. In addition, CPS may need to retrieve data to respond to Freedom of Information Act (“FOIA”) requests, Student Online Personal Protection Act (“SOPPA”) obligations, or otherwise uphold its legal obligations.
5. **Data Validation.** Integration of multiple datasets together can be fraught with difficulty, including inconsistent fields, missing datasets, and conflicting sets of information. The Vendor Solution will need rules to ensure referential integrity between datasets:
  - a. Ensure that primary keys in one dataset are indeed unique, even compound primary keys
  - b. Ensure that foreign keys in one file match the primary keys in another file
  - c. Validation that all other fields are well formed, and cleaned as required

In the data integration environment, it's also important that data issues can be quickly acted upon. Thus, the Vendor shall provide the following options:

- a. Automatic quarantining of data to ensure that invalid data is not ingested. Even if this is only part of a file, the invalid data is removed and the remainder quarantined
- b. Email alerts when data issues are identified so they can quickly be escalated us when jobs are not synchronized

**III. Security Requirements**

The following requirements shall govern the handling and transmission of any Confidential Information under the Agreement, including (as applicable) but not limited to personally identifiable information and/or Student Data.

1. **Handling of Confidential Information.** Vendor shall protect against the unauthorized access, use, or disclosure of Confidential Information by employing industry specific best practice security measures when handling Confidential Information that are no less protective as those
